Objective

I am a computer science student looking for work experience to improve my abilities in programming, leadership, and communication. I'm always looking to get better at programming as it is my biggest passion, and a career where I can apply and train that skill is one of the best ways for me to achieve that.

Involvement

- **University of Arkansas German Exchange Program**
  - Learning German
  - Attending the Technische Universität Darmstadt in Germany for my 2023 – 2024 year of college

- **Fall 2021 24-hour Hackathon in Fayetteville AR**
  - Learned Flutter and Github basics
  - Developed a cross-platform mobile app
  - Placed 5th out of 17 teams

- **Concert and Marching Band**
  - 2016 – 2018
  - Played baritone and marched at football games
  - Did concerts in December

Leadership

- **Upward Bound**
  - 2017 – 2020
  - Attended multiple volunteer events
  - Attended classes for 5 weeks during the summer for 5 days a week, 7 hours a day
  - Attended monthly meetings, often involving leadership exercises and a leadership figure coming out to speak with us

- **Beta Club**
  - 2018 – 2020
  - Attended a massive leadership conference
  - Attended weekly discussion, typically about academics, leadership, and charity events
